*Born without arms, not without attitude!*

Nicky Abdinor is a showstopper. She is an agent of change who will leave your audience believing in their abilities. They'll learn to focus on what they can do.

## KEYNOTE TALKS

Nicky will be the speaker that attendees talk about during the break. Her keynote talk, "Driving Dreams" shares an inspiring message that includes life lessons from overcoming exceptional physical challenges. Her video clips will leave you spell-bound and questioning what is possible.
